Please read the following policy below.

*"Subscription service is the practice of providing repetitive trips over an extended period of time without the passenger calling to request each trip. According to ADA guidelines, this service may not absorb more than 50% of the trips available on a given day. If for any given reason, the **BlueGO OnCall** exceeds the 50% subscription rate, new subscription passengers will not be scheduled. It is the responsibility of the passenger to reconfirm all subscription trips, which are scheduled after holidays, school vacations, or other breaks in service".*
